**MARYSON'S WAX.** A delightful toilet article superior to Cologne, and at half the price. We hold the opinion that no improvement can ever supersede Cetexine, Camphor Powder without being fully satisfied with the results.

No Medicine ever approached with stronger virtues for the general and obstinate rheumatism than the *Varicose Syrup*. Inhalks, especially those suffering from *Syphilitic Scoliosis*, should send to J. P. Dousman, 86 West street, New York, for a pamphlet sent free, concerning this remarkable remedy.

A residence in the Western part of the State will do his wife no harm. Johnson's Adhesive Liniment for a rheumatic affection from which she has suffered for years. He also says, "Let us try it for dyspepsia and kidney complaints with good success."

**Pearson's Pills** deserve the best known remedy for gonorrhœa of the bowels, inflammation of the kidneys, nervous headache, sick-headache, irregularity, costiveness, biliousness, dyspepsia, indigestion, influenza, loss of appetite, and loss of strength.

For headache, use Renne's Pain-Killing Balsam Oil. It cure toothache, ague in the face and jaws; also spinal complaints, rheumatism. It works like a charm.

The great amount of time consumed by the ladies in dressing and arranging their hair now make any article which would lessen their labor particularly desirable. High Vegetable Extract leaves the hair in such condition as to render the dressing and arranging a very easy matter. It imparts to it that splendid glossy appearance so much admired, cleanses the scalp from all dandruff, and prevents baldness; promotes its growth and restores gray hair to its original color.

"Look on this picture, and then on that." Here you have the infant sleep, the puffed cheeks, wasting form, Cataract, head, and a social atmosphere.

Patented with its tales of aches, pains, sleepless nights and mental despondency. There, laughing health, sparkling eyes, elastic step, craving appetite, forgotten cares. Great delight and ambition receive.

Show the contrast and mark the picture.

One look Plantation Bitters—the other didn't. They are very beneficial for weak and delicate persons.
